

Press release – U.P. Expressways Industrial Development Authority (UPEIDA)
AGRA-LUCKNOW ACCESS CONTROLLED EXPRESSWAY – PRE-APPLICATION CONFERENCE

“More than 25 prospective applicants participate in the Pre-Application Conference for the Agra – Lucknow Expressway Project on EPC Mode”

Jan 28, 2014

The Pre-Application Conference for development of “Agra to Lucknow Access Controlled Expressway (Green Field) Project” on EPC mode was held on 28th January 2014 at The Taj Mahal Hotel, New Delhi. The conference was conducted by UPEIDA and was chaired by the Infrastructure & Industrial Development Commissioner, Alok Ranjan. Among others, Chairman & CEO of UPEIDA – Mukul Singhal, CEO of YEIDA and other senior officers of Government of UP also attended the meet.

More than 25 prominent prospective developers such as GMR, Essel Infra, L&T Infra, Jaypee Associates, Soma, PNC Infratech, IL&FS, Punj Lloyd, etc. participated in the conference.

The Industrial & Infrastructure Development Commissioner, Alok Ranjan welcomed the participants to the conference and assured them of all help in smooth implementation of the project.

Chairman & CEO, UPEIDA, Mukul Singhal initiated the conference with a brief on the project. The consultants M/s Feedback Infra gave the brief presentation on the project. All participating Developers made their queries to the ‘Request for Qualification’ document which were responded and clarified in the conference. The detailed clarifications to the queries shall also be uploaded on the official website of UPEIDA i.e. www.upeida.in.
